Summer Fun!

We are gearing up for one spectacular summer!

The first fun thing that will be happening at the end of May is that our flower baskets will be going up downtown. So look for some beautiful flowers along with our banners the next time you visit downtown!

Main Street Iowa is sending us Hilary Greenberg to work with our Market Analysis team and to improve business recruitment downtown. Hilary has been a great resource for Main Street organizations across the country and she's coming to Ottumwa in the AM or lunchtime on July 16th. View her website: www.greenbergdevelopmentservices.com

We are planning stages of having a street event on Main Street that would include a live band and a beer tent sometime this summer. We are waiting until the official changing of the one-way streets into two-way traffic, which is scheduled to happen on Monday, May 19th. So, pay close attention to the new signs in the next few weeks!

Two new businesses will open up in Downtown Ottumwa in June:

- Reflectionz Hair and Nail Salon will open their new location between Doctor Tucker and NuCara Pharmacy,
- A Yoga Studio is planning on going into the space adjacent to Essential Massage & Spa, where we've previously hosted Soup & The Scoop.

Sounds like a fun summer in Downtown Ottumwa. Join us for any of our six movie nights!

Movies start at 8:30pm

New concession items will be available!

New summer, new movies! Central Park Cinema is back and better than ever! Six movies will be playing this year, starting with the first one on May 24th! Come see us in downtown Ottumwa!

Food and Drink available, and we will have some new, healthy options.

Our first Ladies Night Out was deemed a success! We believe about 500 ladies showed up to enjoy everything from cupcakes to cheese and crackers, wine, beer and chocolate fountains in various businesses, as well as to find deals and great shops downtown! We gave away a washer and dryer set from Bridge City Appliances, as well as many other fabulous prizes from downtown businesses. See the photos of this great event on our Facebook Page: <http://on.fb.me/1IJ6Og7>

This event was so much of a success that we plan on having it again in a year, on April 24th, 2015. So, save the date!
